# **Notice to Permit Applicants**

St. Louis County Department of Public Works has recently revised our application forms for construction permits from legal size to letter size format. The new application forms are now available at all of our offices, as well as, from our web site at:

[www.stlouisco.com/YourGovernment/CountyDepartments/PublicWorks](http://www.stlouisco.com/YourGovernment/CountyDepartments/PublicWorks)

Please copy/print the new application forms as a two-sided document prior to submitting for permit.

Applicants should dispose of any old application forms and begin using the new forms. The new forms have a 01/15/15 date, or subsequent date, at the bottom of the forms.

While it is recognized that there will be a transition period, Public Works plans on fully implementing use of the new forms beginning April 1, 2015.
